

Sharing Nature in the City

Self-Guided Explorations

Havenwoods has many resources you can use on a do-it-yourself field trip.

Materials marked with * can only be used at Havenwoods.

Please call 414.527.0232 to reserve materials.

We will provide a brief orientation and some training.

Insect Adventures *

Capture and study insects with nets, field guides, and bug cases. Available during times when insects are active!

Pond Discovery *

Discover insects and other tiny animals and plants in the Havenwoods pond. Equipment includes dip nets, pond magnifiers, buckets, and aquatic insect charts. Available until the ponds freeze!

Forest Forever ParkPacks

Borrow a backpack with activity cards, books, and teaching materials that focus on sustainable forestry. Two kits are available, each with materials needed for 30 kids, 10 to 16 years old.

TreeSearch Eco-Explorer Kits

Discover trees with 13 engaging activities. Two kits are available, each with materials needed for 15 kids, 6 to 12 years old.
