

You are Smokey's
most important helper.

Draw your eyes, nose, mouth, ears, and hair.

*My friends never play with matches.
Remember, only you can prevent wildfires!*

Smokey loves trees!

Make a rubbing of a leaf from your favorite tree. Put the leaf (vein side up) under this page. Then rub across it with the side of your crayon.

What did you and Smokey do on your hike?

Tell a story or draw a picture.

Firefighters work hard to protect trees, people, homes, and animals from wildfires. Thank them for keeping us safe!

Smokey uses his nose to smell for wildfires.

Check the things that you smell on your hike.

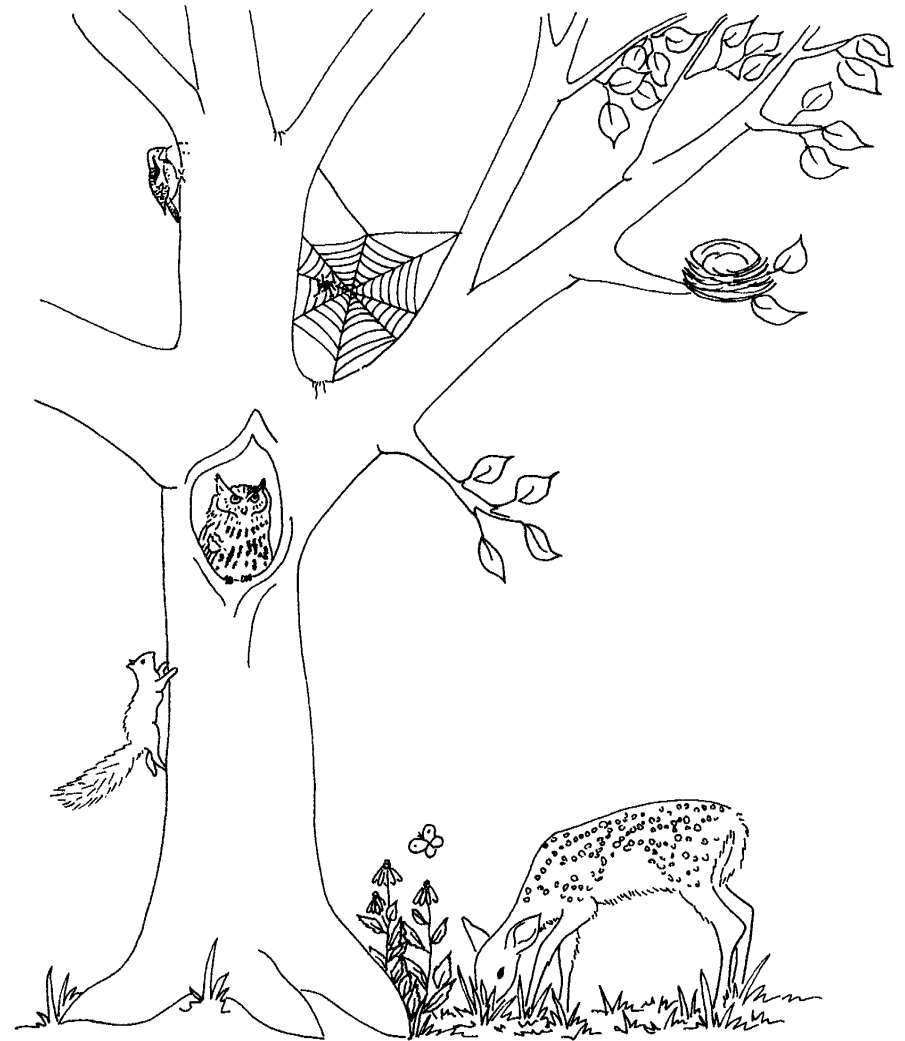

<input type="checkbox"/> rock 	<input type="checkbox"/> seed 	<input type="checkbox"/> leaf 
<input type="checkbox"/> flower 	<input type="checkbox"/> mud Look for tracks! 	<input type="checkbox"/> moss 
<input type="checkbox"/> tree 	<input type="checkbox"/> grass 	<input type="checkbox"/> evergreen tree 

You can use your eyes to watch and your nose to smell. If you see someone playing with matches, tell a grown-up. If you smell a fire, tell a grown-up. Thanks!

Smokey and his friends need trees and other plants.

Look for ways that animals need plants. Circle the ones that you find.

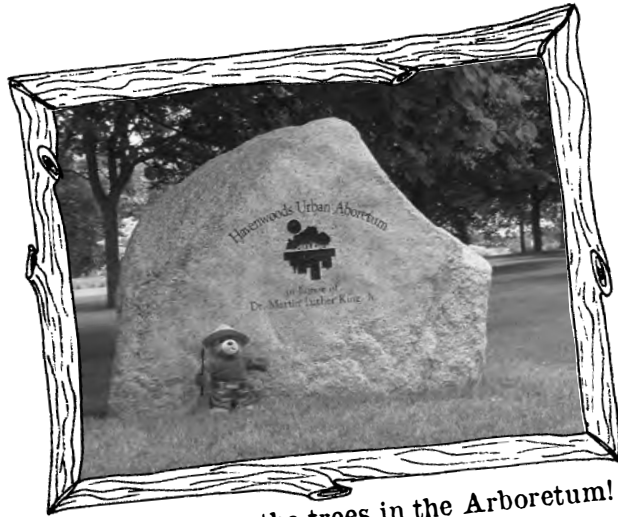

Wildfires caused by people can harm trees, shrubs, flowers, and grass. You can help me protect the places where animals live and find food.

Can you find Smokey's favorite places at Havenwoods?

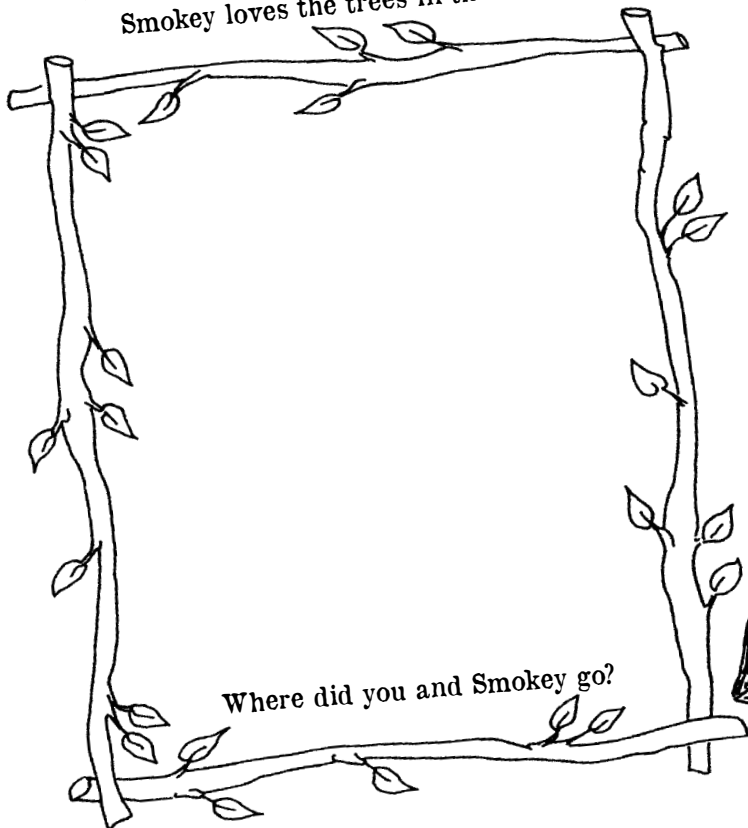

Add pictures or drawings of your adventures with Smokey!

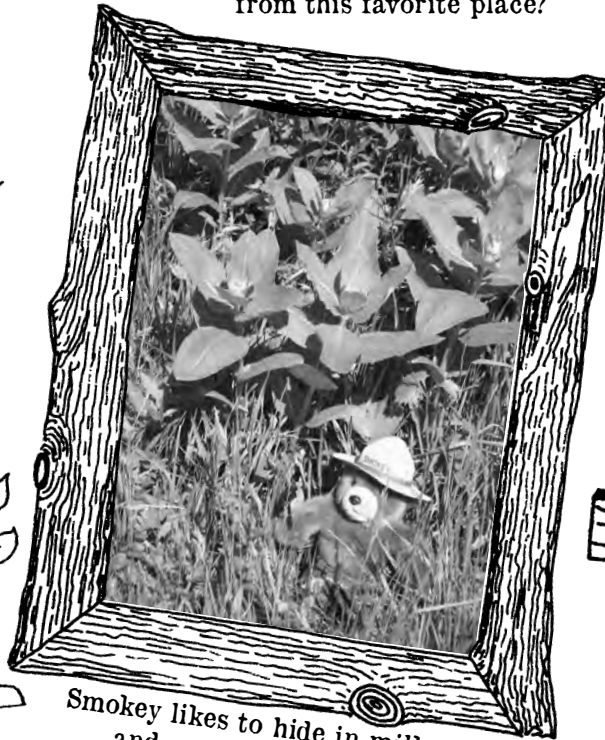

Smokey loves the trees in the Arboretum!

What do you think Smokey can see from this favorite place?

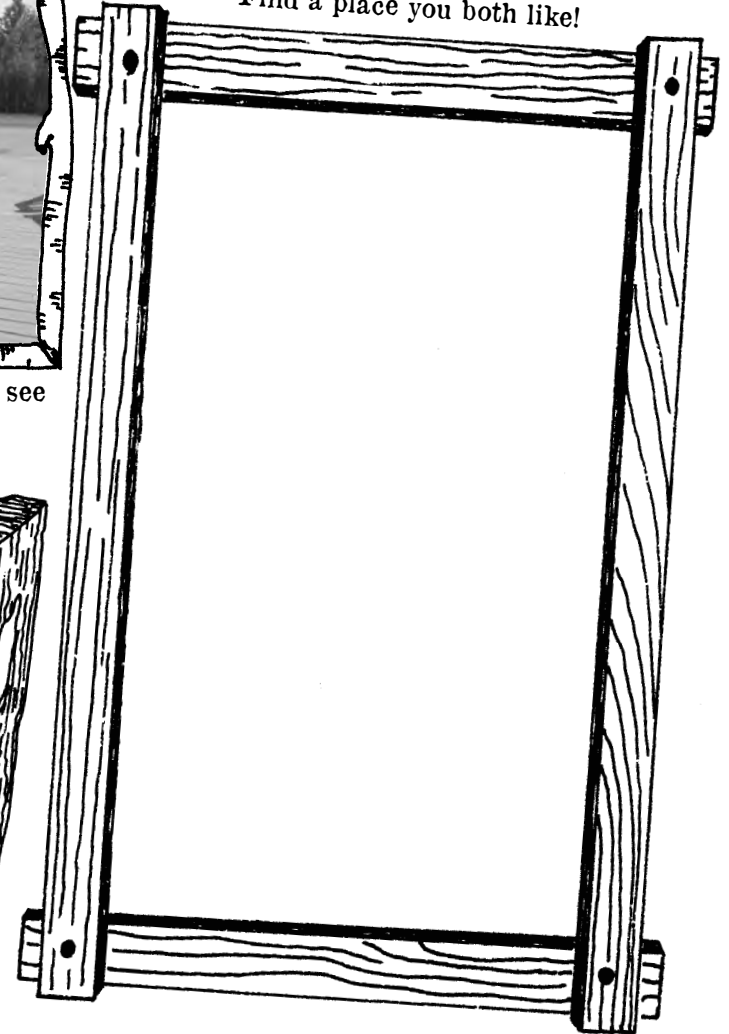

Where did you and Smokey go?

Smokey likes to hide in milkweed and watch for butterflies!

Find a place you both like!

I love visiting state parks and forests. Remember, always be on the look-out for wildfires. Your friend,
