HAVENWOODS STATE FOREST

Volunteer Connection

Congratulations to FOH!

Friends of Havenwoods is one of 30 organizations that will receive funds from Potawatomi Hotel & Casino's charity *Heart of Canal Street*. We will know later in the month how much they will receive. The funds will go to support Havenwoods' education programs.

Representatives of Potawatomi will be here at the nature center on December 27, at 10:15, to present the check to Judy Dollhausen for the Friends and to take photographs. Everyone interested is welcome to come and watch.

Winter at the Forest

Enjoy the snow

It's snowshoe season! When we have about 6-8 inches of snow on the ground, you are welcome to borrow snowshoes to use at Havenwoods during our open hours. We have plenty of snowshoes in kids' and adults' sizes.

Winter building hours

During December, January, and February, the nature center will be open reduced hours on weekdays. Saturday hours will remain the same.

Mon. - Fri.: 9:00 - 3:30
Sat.: 9:00 - 2:00

Commitments will be kept for groups that have made special arrangements for building uses outside of these hours.

The building will be closed for the holidays on these days:
December 24 - 26
December 31 - January 2

Help needed

Taking pictures

Are you a photographer with a good eye for composition and lighting? We need help with documenting activities in the Forest throughout the year. There will be a special need to take photos during some of our school field trips next spring and fall as students explore in the Forest. Also of interest to us are photos of volunteers at work, wildlife, flowers in bloom, and even snow scenes. Contact Judy at 414-527-0232 if you are interested.

Cleaning

Visitors use the nature center year-round, and so our routine cleaning needs continue: vacuuming, sweeping, replenishing paper supplies, cleaning bathrooms. Our staff is at a bare minimum until May, so we appreciate any help you can provide. Contact Judy at 414-527-0232 if you can help.

What good is the warmth of summer without the cold of winter to give it sweetness.
