HAVENWOODS STATE FOREST

Volunteer Connection

Preview Party

Reminder! On the evening of January 29, 6–8 pm, there will be a preview event for the Havenwoods episode of *Around the Corner with John McGivern*.

Volunteer News

We are sad to report the passing of Lois Morrison, wife of Friends board member, George Morrison, on December 15. They were married for 62 years. George and Lois were among the earliest supporters of Havenwoods.

Thanks to Jim Dollhausen for staining and painting the window frames on the south side of the nature center. They look like new again.

Thanks to Betty Siemsen for donating three 25-pound bags of bird seed to Havenwoods. That will go a long way in filling the center's feeders this winter.

Thanks to Cathy Harrison and Jim and Rita Neuner for preparing our mailings for public and school programs four times a year.

We need Joy as we need air. We need Love as we need water. We need each other as we need the earth we share. Maya Angelou: poet, memoirist, civil rights activist

It will be held at the Direct Supply complex at Champions' Hall, 6663 N. Industrial Road, Milwaukee. The screening starts at 7 pm. McGivern and his producers will be there to talk about the production and answer questions.

The episode will air on Milwaukee PBS, Channel 10.1 on February 1, at 7:00 pm.

You will need a free ticket to enter. Please contact me ASAP for information on how to get your ticket.

Jim Goetz, Dennis Kaehny, and Judy Dollhausen have been cleaning and tidying up the nature center on Saturdays this winter. Thank you to them for helping to keep Havenwoods a welcoming place for our visitors.

Volunteers needed

Can you spare some time to help with deep cleaning in the nature center? Windows need washing, counters and phones need wiping, blinds need dusting, and more.

You can come any day Monday through Saturday. We will provide all the cleaning supplies. This will take place of the group cleaning party we have had for the last several years. Please call Judy at 414-527-0232 to arrange a date and time to come.

Adult programs

The Night Sky

January 13, 6:30 - 8 pm (Sat.)

Join staff on an almost moonless night to hike and look at the stars. We'll find the winter constellations and share some of the ancient legends about them.

Animal Magnetism

February 16, 7 - 8:30 pm (Fri.)

Animals have their own versions of Valentine's Day. They attract their prospective mates with dances, songs, bright colors, and smells. Join us indoors for a program about what local animals do in search of mates, then meet outside for a campfire and hot chocolate.
